Mr. Torres

As I believe I told you, I represent your son, Jesse, and Debtmerica.

Please tell me how much money you are demanding from Jesse and/or Debtmerica.

Thanks you.

Arthur Aaronson

Dear Mr Aaronson:

I am not sure if you were positioning yourself to bolster up your clients confidence, or will you be really accepting service on behalf of your clients. In any case, I will need confirmation that you are, before sending you any documents on this mater. If I don't receive a reply from you by tomorrow morning (EST), I will serve the clients individually as is required by the Massachusetts Rules of Civil Procedure.

I will need you to reply, in writing, to the following:

- 1) The names of the clients you are representing, ie : Jesse E. Torres IV and/or Debtmerica, and
- 2) if you are, or will be, representing Donald F. Torres, or
- 3) if you are not representing Donald F. Torres, would you be so kind as sending me his address for service, I believe your client would know it, and
- 4) as the Massachusetts Rules of Civil Procedure require that service be made to out of state parties by certified mail, and,
- 5) if you will be accepting service, please provide your mailing address, and
- 6) please let me know, if you require separate copies of the Complaint, Pleadings and Exhibits for each Defendant, or will one set of documents with individual Summons be acceptable?

Due to the time back East I will not be available this evening, but if you would please send me your response to this email I will try to get back to you tomorrow morning (PST).

Sincerely,

Jesse E. Torres III
